Eugene Concert Choir Outreach (ECCO) Music Education Program is about to ramp up its 12th year. We look forward to bringing choral singing to your school in the Spring of 2020!

What is ECCO?

- A free program that involves three 30- to 45-minute classroom presentations for children grades K-5.
- Students will explore music fundamentals such as melody, vocal sound, movement and rhythm.
- Participating classes receive a practice recording of the song, a copy of the lyrics and sheet music.
- ECCO 2020 participants receive a free pass for themselves and an accompanying adult to attend the *Beatles for Kids* concert on Saturday, May 2 at 11:00 am at the Hult Center where they will perform "Octopus's Garden" and "Yellow Submarine" on the Silva Concert Hall stage.

How can your school participate?

- Fill out the application and return it via email to jill@eugeneconcertchoir.org or mail to Eugene Concert Choir by January 24, 2020.
- Applications will be processed in the order received; the sooner you return your application, the better chance of your class/school participating.
- We will call/email you to schedule your presentations and confirm details.

This program offers your students an exciting and unforgettable experience. We look forward to your participation!

Sincerely,
