

**Eugene Concert Choir and Eugene Vocal Arts
Calendar 2020-2021**

The plan this fall is to make the opportunity available for singers who choose to sing together in limited, socially-distanced rehearsals, which will serve as Zoom rehearsals which are both live-streamed and recorded for practice demonstrations for those participating remotely. In addition, Eugene Concert Choir will record, in a socially-distanced manner, repertoire for creation of a *Holidays Around the World* video, which will either be projected as a part of a live performance on December 13, and subsequently released on YouTube, or only released on YouTube if no live event is possible.

Each segment of each rehearsal will allow a limited number of singers to attend. Scheduling of singers will be managed by Troy DeShazer, our Office Administrator. Singers who are not confirmed for a time slot will not be admitted to the rehearsal. If you are signed up for a time slot, please honor your place.

Rehearsals will take place at Kidsports Civic Park – Amazon Parkway and 20th Avenue in Eugene. Monday rehearsals will be in the Fieldhouse (large gymnasium) and Tuesday rehearsals on the Turf Field (soccer field outdoors).
