

Pronunciations for the Swedish verse of *Wonderful Peace*.

Strålande - å as in "for", "aw" is too open

Glans - think "fun"

Kronor - o as in "zoom", with the second o slightly shorter

Med - eh with a long eh

Gnistrande - g has to be pronounced as well, the rest... see strålande

Bågar - å as in "for"

Guds - u is the same as in sjungen. More open than in hus/ljus. The d when singing is more like a soft "t"

Hus/ljus - u in these two are very closed, form mouth as if whistling. Very different from u in Guds

Är - think first syllable in "fashion" with a little more emphasis

Sjungen - same u as in Guds

Från - å as in "for"

Eviga - "eh", emphasized, no "ehah"

Längtan - ä as "eh" (short), and -tan - think "fun"
