

Hello Eugene Vocal Arts,

I am making a change regarding the April 12 rehearsal in the Hult Parking Garage. To minimize risk to everyone and focus on what is actually needed at this time, I am going to hold the April 12 rehearsal for the eight singers recording the Basic Track only. That group needs to form some semblance of a cohesive ensemble for us to make the best Basic Track on April 16 and 17 for all of us to start with.

Those singers are:

Angela Asato, Jill Switzer, Kami Hendrix, Christina Sjoblom, Brent Anderson, Galen Martin, Doug Worley and Alec Murphy.

Rehearsal 7:00–9:00 pm, Monday, April 12, Hult Parking Garage. Parking is free in the Hult garage after 6:00 pm. Park in 3West or lower. The rehearsal will take place in 4West.

If all goes well with the April 12 rehearsal in the Hult Garage, we will schedule continuing rehearsals for everyone starting the following week. In the meantime, there are lots of recorded JackTrip rehearsals you can all reference.

I have made out the schedule to record everyone for the layering on of voices in May, working with everyone's particular schedule and trying to arrive at a somewhat balanced ensemble each time. You will see some familiar names who haven't been able to join us on JackTrip, but who are following along and will be able to add to the recording. If this email reaches anyone else who hasn't been rehearsing with us but would like to join in the May recording sessions, please let me know. We still have room for several additional voices.

Please confirm your recording time:
